

# SHERIN.J

BSC CS STUDENT

## About Me

I'm Sherin, a BSc Computer Science student with a strong foundation in programming, problem-solving, and software development. Skilled in Python, Java, and C++, I have a keen interest in AI, ML, data science, and system design. A quick learner with an analytical mindset, I thrive in both independent and collaborative environments. I actively work on personal projects to refine my coding skills and stay updated with emerging technologies.
